

Seniors and groceries

Check with your favorite grocery store to see if they are offering special senior shopping hours. The most popular time seems to be Tuesday.

If you are able to order groceries online, the services below on page 2 can be of assistance. If you know of a senior that cannot use a computer, you may want to consider assisting them by either shopping for them (online or at the store). You would be providing a needed service to your community.

Services that do not require Internet:

GoGo Grandparent 855-754-5328

For more information you can visit <https://www.gogogourmet.com/>

They have service available to call 7am-10pm
